Dear Sir:

Pursuant to 35 U.S.C. § 254 and 37 C.F.R. § 1.323, patentee's assignee respectfully requests a certificate of correction to correct a mistake incurred through the fault of the US Patent and Trademark Office (Office) which is clearly disclosed in the prosecution history of the above-identified patent. More specifically, Applicant filed a preliminary amendment with the Office on February 26, 2002, to insert the following language on page 1, line 3, in the above-identified patent application, "This invention was made with Government support from the National Science Foundation (NSF) under Grant No. DMI-9712520. The Government has certain rights in the invention." However, the above-identified patent issued

OCT - 2 2006

by the Office does not include the language of this amendment. Accordingly, patentee's assignee hereby requests a certificate of correction (in the attached form) for the above-identified patent to correct this mistake by the Office.

Respectfully submitted,
